Adelman Janet Suffocating Mothers Fantasies Of

Suffocating Mothers: Fantasies of Maternal Origin in Shakespeare's Plays, 'Hamlet' to 'The Tempest' With her dominant interests in psychoanalysis, gender, and race, Adelman writes Suffocating Mothers, exploring the depiction of females in Shakespeare's works and the dominating effects of the maternal identity over the masculine characters. In short, the focus is on "the nightmare of femaleness that can weaken and contaminate masculinity."

Janet Adelman - Wikipedia

Suffocating Mothers Fantasies of Maternal Origin in Shakespeare's Plays, Hamlet to the Tempest by Adelman, Janet and a great selection of related books, art and collectibles available now at AbeBooks.co.uk.

Suffocating Mothers Fantasies of Maternal Origin in ...

This book offers up an in-depth scholarly analysis of all of the mother figures in Shakespeare's early works-both those who appear in the play and those whose absence gives us cause to pause. Ademan points out, and makes much hay of the fact, that Shakespeare began writing his great tragedies simultaneously with the introduction of the first fully imagined mother- character.

Suffocating Mothers: Fantasies of Maternal Origin in ...

Adelman's distinctive psychoanalytic approach took center stage in "Suffocating Mothers: Fantasies of Maternal Origins in Shakespeare's Plays, "Hamlet" to "The Tempest" (1992), a book in which she offered an in-depth analysis of the mother figures in Shakespeare's works – the female characters in the plays and those whose absences raise questions.

Suffocating Mothers: Fantasies of Maternal Origin in ...

An original reading of Shakespeare's plays illuminating his negotiations with mothers, present and absent, and tracing the genesis of Shakespearean tragedy and romance to a psychologized version of the Fall.

An original reading of Shakespeare's plays illuminating his negotiations with mothers, present and absent, and tracing the genesis of Shakespearean tragedy and romance to a psychologized version of the Fall.

First Published in 1992. Routledge is an imprint of Taylor & Francis, an informa company.

The father-daughter relationship was one that Shakespeare explored again and again. His typical pattern featured a middle-aged or older man, usually a widower, with an adolescent daughter who had spent most of her life under her father's control, protected in his house. The plays usually begin when the daughter is on the verge of womanhood and eager to assert her own identity and make her own decisions, especially in matters of the heart, even if it means going against her father's wishes. This work considers Capulet in Romeo and Juliet as an inept father to Juliet and Prospero in The Tempest as an able mentor to Miranda; Hermia in A Midsummer Night's Dream, Jessica in The Merchant of Venice and Desdemona in Othello as daughters who rebel against their fathers; Hero in Much Ado About Nothing, Lavinia in Titus Andronicus and Ophelia in Hamlet as daughters who acquiesce; Bianca in The Taming of the Shrew and Goneril and Regan in King Lear as daughters who cunningly play the good girl role; Portia in The Merchant of Venice, Viola in Twelfth Night and Rosalind in As You Like It as daughters who act in their fathers' places; and Marina in Pericles, Perdita in The Winter's Tale and Cordelia in Lear as daughters who forgive and heal.

In Blood Relations, Janet Adelman confronts her resistance to The Merchant of Venice as both a critic and a Jew. With her distinctive psychological acumen, she argues that Shakespeare's play frames the uneasy relationship between Christian and Jew specifically in familial terms in order to recapitulate the vexed familial relationship between Christianity and Judaism. Adelman locates the promise—or threat—of Jewish conversion as a particular site of tension in the play. Drawing on a variety of cultural materials, she demonstrates that, despite the triumph of its Christians, The Merchant of Venice reflects Christian anxiety and guilt about its simultaneous dependence on and disavowal of Judaism. In this startling psycho-theological analysis, both the insistence that Shylock's daughter Jessica remain racially bound to her father after her conversion and the depiction of Shylock as a bloody-minded monster are understood as antidotes to Christian uneasiness about a Judaism it can neither own nor disown. In taking seriously the religious discourse of The Merchant of Venice, Adelman offers in Blood Relations an indispensable book on the play and on the fascinating question of Jews and Judaism in Renaissance England and beyond.

Suffocating Mothers: Fantasies of Maternal Origin in ...

This history of Middle Eastern women is the first to survey gender relations in the Middle East from the earliest Islamic period to the present. Outstanding scholars analyze a rich array of sources ranging from histories, biographical dictionaries, law books, prescriptive treatises, and archival records, to the Traditions (hadith) of the Prophet and imaginative works like the Thousand and One Nights, to modern writings by Middle Eastern women and by Western writers. They show that gender boundaries in the Middle East have been neither fixed nor immutable: changes in family patterns, religious rituals, socio-economic necessity, myth and ideology—and not least, women's attitudes—have expanded or circumscribed women's roles and behavior through the ages.

This powerful twentieth-century reimagining of Shakespeare's King Lear centers on a wealthy Iowa farmer who decides to divide his farm between his three daughters. When the youngest objects, she is cut out of his will. This sets off a chain of events that brings dark truths to light and explodes long-suppressed emotions. Ambitiously conceived and stunningly written, A Thousand Acres takes on themes of truth, justice, love, and pride—and reveals the beautiful yet treacherous topography of humanity.

OXFORD SHAKESPEARE TOPICS General Editors: Peter Holland and Stanley Wells Oxford Shakespeare Topics provide students and teachers with short books on important aspects of Shakespeare criticism and scholarship. Each book is written by an authority in its field, and combines accessible style with original discussion of its subject. How is it that the British literary critic Terry Eagleton can say that 'it is difficult to read Shakespeare without feeling that he was almost certainly familiar with the writings of Hegel, Marx, Nietzsche, Freud, Wittgenstein and Derrida', or that the Slovenian psychoanalytic theorist Slavoj Žižek can observe that 'Shakespeare without doubt had read Lacan'? Shakespeare and Literary Theory argues that literary theory is less an external set of ideas anachronistically imposed on Shakespeare's texts than a mode - or several modes - of critical reflection inspired by, and emerging from, his writing. These modes together constitute what we might call 'Shakespearean theory': theory that is not just about Shakespeare but also derives its energy from Shakespeare. To name just a few examples: Karl Marx was an avid reader of Shakespeare and used Timon of Athens to illustrate aspects of his economic theory; psychoanalytic theorists from Sigmund Freud to Jacques Lacan have explained some of their most axiomatic positions with reference to Hamlet; Michel Foucault's early theoretical writing on dreams and madness returns repeatedly to Macbeth; Jacques Derrida's deconstructive philosophy is articulated in dialogue with Shakespeare's plays, including Romeo and Juliet; French feminism's best-known essay is Hélène Cixous's meditation on Antony and Cleopatra; certain strands of queer theory derive their impetus from Eve Kosofsky Sedgwick's reading of the Sonnets; Gilles Deleuze alights on Richard III as an exemplary instance of his theory of the war machine; and postcolonial theory owes a large debt to Aimé Césaire's revision of The Tempest. By reading what theoretical movements from formalism and structuralism to cultural materialism and actor-network theory have had to say about and in concert with Shakespeare, we can begin to get a sense of how much the DNA of contemporary literary theory contains a startling abundance of chromosomes - concepts, preoccupations, ways of using language - that are of Shakespearean provenance.

Shakespeare: Criticism and Theory is an anthology of the most significant essays and book chapters published on Shakespeare in the second half of the twentieth century. An anthology of about 50 of the most significant essays and book chapters published on Shakespeare in the second half of the twentieth century. Introduces students to the variety of theoretical positions, thematic claims, methodologies, and modes of argument in Shakespeare criticism over the last 50 years. Critical views represented range from the old style historicism of E.M.W. Tillyard and the new criticism of William Empson to the new historicism of Stephen Greenblatt and the feminist perspective of Catherine Belsey. Pieces are organised into categories of critical thought and introduced in clear language. Most pieces are reproduced in their entirety.
