Describes the origins of European exploration of the Americas, including the Vikings, the search for a new route to Asia, for gold, and for a Northwest Passage, and discusses the Lewis and Clark Expedition and modern explorers.

Discusses why immigrants came to the United States in the late 19th and early 20th centuries, the difficulties of the journey, the establishment of the Ellis Island Immigration Station and what went on there, and its decline and restoration.

Recounts the origins of individual rights in the colonies and the effort to add explicitly stated rights to the Constitution, accomplished in its first ten amendments, and discusses their meaning and the extension of citizen's rights to all Americans.

An updated and expanded activity book designed to foster cultural awareness provides hands-on activities, songs, and games that help bring to life the people and experiences that shaped African-American history. Original.

Kids love stories about underdogs, and the American Revolution is among the most famous of these tales. Desperate to be an independent country free from Britain, the rebel colonists relied on their cunning wit and visionary leadership to win an impossible war. And then they faced the real hardship—creating a country out of a victorious but chaotic society. Using engaging text, hands-on activities, and links to primary sources, *The American Revolution: Experience the Battle for Independence* shows readers how rebel soldiers fought in horrific conditions while their families faced their own hardships for the sake of freedom. Students examine wartime propaganda to discover the truth about events leading up to the war, and engage in vibrant debate, strategic planning, and literary deconstruction to understand the official documents upon which America is founded. Building a marshmallow cannon and creating real colonial food are some of the projects that engage readers' design skills. Essential questions require readers to activate their critical thinking skills to discover the truth about the most important moment in American history. *The American Revolution* meets Common Core State Standards for literacy in history and social studies; Guided Reading Levels and Lexile measurements indicate grade level and text complexity.

Recounts the origins of the desire for independence in the colonies that would become the United States, the events that led to open rebellion, and how the Continental Congress adopted the Declaration of Independence, and discusses its meaning.

The San Francisco Bay Area is loaded with fascinating and unique historical sites that represent a broad range of historical events and eras. A resident of the Bay Area or a tourist in town for a few days can see a wide range of historical sites all within a day's drive of San Francisco. This book may also be useful for a teacher or parent who is looking for an educational field trip which ties in with the child's curriculum in a history, literature, or science class. Others may find it interesting to

learn more about the Native Americans or pioneer settlers in a local community. So, whether you are just curious about what is inside that old historical house in your neighborhood, want to know how a specific historical event played out in your area, or are just looking for an interesting day trip, this book has something for you. Many people are familiar with the more famous sites in California. It is not uncommon to see tourists make a trip to see all of the California missions or Gold Rush towns, but there are also scores of lesser-known sites within the Bay Area that highlight a particular historical event or offer a comprehensive overview of the history of that town or region. More than just a tour guide, the book is broken into sections with essays that acquaint the reader with the history that is covered by the representative museums or sites. DiGiacomo goes beyond the traditional city, county, state, and national museums and historic sites that feature famous people, historic homes and events. He also covers museums devoted to agriculture, business, Hispanic California, immigration, military posts, mining, Native Americans, transportation, sports, as well as science and technology. He thoughtfully includes key information on each museum such as its location, web address, hours of operation, cost, and what a visitor can expect to encounter. Over 220 historical sites are listed.

It's the revolutionary American history study guide just for middle school students from the brains behind Brain Quest. Everything You Need to Ace American History . . . covers Native Americans to the war in Iraq. There are units on Colonial America; the Revolutionary War and the founding of a new nation; Jefferson and the expansion west; the Civil War and Reconstruction; and all of the notable events of the 20th century—World Wars, the Depression, the Civil Rights movement, and much more. The BIG FAT NOTEBOOK series is built on a simple and irresistible conceit—borrowing the notes from the smartest kid in class. There are five books in all, and each is the only book you need for each main subject taught in middle school: Math, Science, American History, English Language Arts, and World History. Inside the reader will find every subject's key concepts, easily digested and summarized: Critical ideas highlighted in neon colors. Definitions explained. Doodles that illuminate tricky concepts in marker. Mnemonics for memorable shortcuts. And quizzes to recap it all. The BIG FAT NOTEBOOKS meet Common Core State Standards, Next Generation Science Standards, and state history standards, and are vetted by National and State Teacher of the Year Award-winning teachers. They make learning fun, and are the perfect next step for every kid who grew up on Brain Quest.
