More by Doing ...*

Deliberate Simplicity is a new equation for  
church development. It says less can also be  
more. This represents a paradigm shift. When  
the paradigm shifts, the rules change. In  
baseball, for example, the foul lines are  
part of the paradigm. If the ball lands on  
one side of the line, it's a fair ball.

Learn how a “less is more” approach to church can equip believers for eternal influence. Church innovator Dave Browning unpacks the six elements of a new equation for church development. These concepts---minimality, intentionality, reality, multility, velocity, and scalability---provide a realistic plan for streamlining church while maximizing impact.

A hands-on resource for both large and small churches It has been predicted that in the twenty-first century extremely large churches would emerge in America that resemble neither an elephant nor a field of mice. Which is better? At one time the answer would have been either/or. Now it's both/and. We want both the intimacy of smallness and the impact of bigness—we want a hybrid of the two. Hybrid Church is a practical guide for clergy

# Online Library Deliberate Simplicity How The Church Does More By Doing Less

and leaders who want to have the best of both church worlds: the intimacy of small "house church" groups and the impact of very large mega-churches. Offers a guide for churches who want to capitalize on their strengths to build intimacy with impact Written by the pastor of one of the "fastest growing" and "most innovative" churches in America with thousands of members organized in small house groups Outlines a vision for how the church of tomorrow could look like the early church. Given that the trend is toward very large and very small, with few churches in the middle, this book will be a welcome resource for both large and small churches.

Our world is marked by unprecedented degrees of multiculturalism, ethnic diversity, social shifts, international collaboration, and technology-driven changes. The changes are profound, especially when you consider the unchecked decline in the influence, size, and social standing of the church. There is an undercurrent of anxiety in the evangelical world, and a hunger for something new. And we're sensing the urgency of it. We need fresh, creative counterintuitive ways of doing ministry and church and leading it in the 21st century. We need to adapt. Fast. Both in our practices and our thinking. The aim of this book is simple: When we understand the powerful forces at work in the world today, we'll learn how something called The Third Culture can yield perhaps the most

# Online Library Deliberate Simplicity How The Church Does More By Doing Less

critical missing ingredient in the church today—adaptability—and help the church remain on the best side of history. A Third Culture Church and a Third Culture Leader looks at our new global village and the church's role in that village in a revolutionary way. It's a way to reconnect with the historical roots of what Jesus envisioned the church could be—a people known for a brand of love, unity, goodness, and extravagant spirit that defies all conventions. This book is part of the successful Leadership Innovation Series.

What is the rapidly expanding multi-site church movement all about? Experience the revolution for yourself and see why it has become the “new normal” for growing churches. A Multi-Site Church Roadtrip takes pastors, church leaders, and anyone who is interested on a tour of multi-site churches across America to see how those churches are handling the opportunities and challenges raised by this dynamic organizational model. Travel with tour guides Geoff Surratt, Greg Ligon, and Warren Bird, authors of The Multi-Site Church Revolution, and enjoy engaging and humorous on-site narratives that show you the creative ways churches of all kinds are expanding their impact through multiple locations. Hear the inside stories and learn about the latest developments. Find out firsthand how the churches in this book are broadening their options for evangelism, service, and outreach—while making better use

# Online Library Deliberate Simplicity How The Church Does More By Doing Less

of their ministry funds. Since each church on this tour is unique, you won't find a cookie-cutter approach to ministry. Instead, you'll gain some practical tools you can use to explore a multi-site direction at your own church.

The idea of servolution is a revolution of serving others, and this resource provides practical ideas and strategies to get started.

Dangerous churches should be norm. Church leaders and church people alike shrink back from danger because we want safety. Jesus said that he's overcome the world and its troubles. Dangerous churches put everything on the line for the one thing that matters most: reaching lost people. It's dangerous not to be a dangerous church. The book is less about methods or even the message of God, but about a church that risks everything it has to reach lost people. Living Hope was birthed 8 years ago and has grown from five families to 5000 attendees, grown from one to 19 services on many campuses, and baptized 5,000 people along the way. A dangerous church sees what "only God" can do when it acts upon what the church is supposed to be. It risks everything to reach people. God wants us to live on the edge of our margin when it comes to mission and methods. So much of Living Hope's journey has been going back to the Book of Acts and trying to live authentically

# Online Library Deliberate Simplicity How The Church Does More By Doing Less

with the givens of who they were, where they were and what they had to work with. They learned to abandon agendas and short-sighted human plans, especially ones that copy what other churches are doing. That's when they found God's blessing. "We went from being a good church to being God-honoring church," he reports. Drawing insight from the book of Acts, this book unfolds the very personal journey of a pastor, and then his entire church, when they finally began to live a dangerous faith. The transition had a dramatic impact on the pastor's life and marriage, as well as on the congregation and its outreach. It opened a new sense of mission and incredible spiritual fruitfulness. The pastor is not only a radically different person today, but the entire church has become an atmosphere that values taking dangerous steps of faith. It will lead Christ's followers to become risk-takers who change the world through a revolution that begins with a dangerous grace. The book is story-rich with examples of the grace-filled culture from Living Hope Church through the experiences of its pastor, John Bishop. It will avoid a smug attitude that implies "we've arrived," "we're the first to live out grace" or "we're the best at giving grace." Instead, the book will convey a humble attitude of "we've got a lot to learn," including examples of mistakes the church has made along the way. The rapid transition of Living Hope will not be

# Online Library Deliberate Simplicity How The Church Does More By Doing Less

projected as a speed for other churches to follow (lest the book invite a crash-and-burn outcome at other churches). Thus the book will find its primary story in and from Living Hope. In 2007 Outreach Magazine ranked Living Hope as the seventh fastest growing church in the US. They have also been listed among the 50 most influential churches in America.

A groundbreaking guide for multiplying the impact of church plants Based on a study that was commissioned by the Leadership Network, this book reveals the best practices in church planting and uncovers the common threads among them. A much-needed resource, this book will inform, guide, and even catalyze today's many church planting leaders. The authors clearly show leaders how to plant churches that create a multiplication movement and offer inspiration for them to do so. The book addresses their questions about what to do next in their church planting strategies, in light of research on what's actually working best. Author Ed Stetzer heads up LifeWay Research Provides reliable, credible information about what church planting strategies work best A volume in the Leadership Network Series Offers a definitive guide for church planting and the burgeoning movement it is part of.

Fueled by a desire to reach people for Christ, a revolution is underway. Churches

# Online Library Deliberate Simplicity How The Church Does More By Doing Less

are growing beyond the limitations of a single service in one building. Expanding the traditional model, they are embracing the concept of one church with more than one site: multiple congregations sharing a common vision, budget, leadership, and board. Drawing from the examples of churches nationwide, *The Multi-Site Church Revolution* shows what healthy multi-site churches look like and what motivates congregations to make the change. Discover how your church can:

- cast a vision for change
- ensure a successful DNA transfer (vision and core values) to its new site
- develop new leaders
- fund new sites
- adapt to structure and staffing change
- use technology to support your worship services

you'll identify the reasons churches succeed and how they overcome common snags. *The Multi-Site Church Revolution* offers guidance, insights, and specific action steps as well as appendixes with practical leadership resources and self-diagnostic tools. "I wholeheartedly recommend this book for any pastor or church leader who needs to know the pertinent issues, tested solutions, and real examples of multi-site strategies that are currently being deployed around the world." —Ed Young, senior pastor, Fellowship Church "The authors have done their homework. They have firsthand knowledge of the successes and failures of this movement, having been networking with and facilitating dialogue among churches across the country for years." —Max Lucado, senior

# Online Library Deliberate Simplicity How The Church Does More By Doing Less

minister, Oak Hills Church “Look no further than this book to propel your ministry to Ephesians 3:20 proportions: exceeding abundantly above all that you could ever ask or think!” –Randy and Paula White, senior pastors, Without Walls International Church This book is part of the Leadership Network Innovation Series.

Increasingly, church leaders are recognizing the power and beauty of the multi-ethnic church. Yet, more than a good idea, it's a biblical, first-century standard with far-reaching evangelistic potential. How can your church overcome the obstacles to become a healthy multi-ethnic community of faith? And why should you even try? In *Leading a Healthy Multi-Ethnic Church* (formerly titled *Ethnic Blends*), Dr. Mark DeYmaz provides an up-close-and-personal look at seven common challenges to creating diversity in your church. Through real-life stories and practical illustrations, DeYmaz shows how to overcome the obstacles in order to lead a healthy multi-ethnic church. He also includes the insights of other effective multi-ethnic church leaders from the United States and Australia, as well as study questions at the end of each chapter. *Leading a Healthy Multi-Ethnic Church* describes what effective local churches in the 21st century will look like and shows us how to create them, together as one, beyond race and class distinctions.

–Miles McPherson, Senior Pastor, The Rock

# Online Library Deliberate Simplicity How The Church Does More By Doing Less

Church, San Diego, CA Mark DeYmaz, perhaps  
more than any pastor in America, has his  
pulse on what it will take for the Church to  
find real reconciliation in our generation.  
-Matt Carter, Lead Pastor, Austin Stone  
Community Church, Austin, TX

Leaders come in all shapes and sizes. Some are bold in their style, some are unassuming. Some fly by the seat of their pants. Some are very calculating. Even the Apostles of Jesus varied greatly in their approaches to leadership. Peter was a power house. James was a practical tactician. John was a lover. But in the end, leaders always make a difference. They see what needs to be done, and they do what needs to be done. In this leadership primer Dave Browning, author of *Deliberate Simplicity*, unpacks the specifics of "the seeing" that leaders see, and "the doing" that leaders do. While this book won't make you a leader, it will give you a track to run on if you want to be.
