Crown of the Gods - An empire-building strategy game

Empire is a 1977 turn-based wargame with simple rules. The game was conceived by Walter Bright starting in 1971, based on various war movies and board games, notably Battle of Britain and Risk. The game was ported to many platforms in the 1970s and 80s. Several commercial versions were also released, often adding basic graphics to the originally text-based user interface. The basic gameplay is strongly reminiscent of several later games, notably Civilization, which was partly inspired by Empire.

Empire (1977 video game) - Wikipedia

Forge of Empires (FOE) was published in 2012 as the newest strategy online game by InnoGames and has since been one of the most successful browser-based games available. InnoGames, known as a publisher of high quality titles such as the strategy game Tribal Wars and the Greek empire game Grepolis , is combining strategic game-play in an empire builder with excellent visual appeal.

Forge of Empires - Free online strategy game

Game description. Your Empire won't be built in a day. A good empire takes time and a good game gives you that time. Game Empire is a massively multiplayer online role-playing game where you will be able to spend months slowly building up your small village into a mighty empire! You'll have to make strategic offensive and defensive moves, you'll have to determine the correct battle tactics and use them against your enemies, and believe me: there will be a lot of enemies.
