Prepare for success in international finance with this best-selling book's effective presentation of in-depth theory and practical applications. INTERNATIONAL FINANCIAL MANAGEMENT 12E builds on the fundamental principles of corporate finance to provide the timely information and contemporary insights needed to prosper in today's global business environment. This book discusses a wide range of managerial topics using a strong corporate perspective and highlights financial reform and its impact on the international finance today. An emphasis on the most recent financial industry trends further prepares readers to understand and effectively manage within the dynamic field of international finance. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

INTERNATIONAL FINANCIAL MANAGEMENT, 10e, International Edition builds on fundamental principles of corporate finance to provide the information and insights you need to succeed in today's dynamic global business environment. This thorough text includes a detailed introduction to the world of international finance, in which multinational corporations continue to expand and play an increasingly important role in global commerce. The text then focuses on a wide range of managerial topics from a corporate perspective, combining in-depth coverage of essential financial theory with a strong emphasis on hands-on, real-world applications. Known for its reader-friendly style and clear explanations, INTERNATIONAL FINANCIAL MANAGEMENT, 10e, International Edition gives you the tools to understand and manage within the exciting field of international finance.

Equip your students for success in international finance with the unrivalled depth of theory and practical applications presented in Madura, Hoque and Krishnamurti's INTERNATIONAL FINANCIAL MANAGEMENT, Asia-Pacific 1st edition. This APAC edition builds on the fundamental principles of corporate finance to provide the timely information and contemporary insights your students need to prosper in today's global business environment. With the original US edition being well known for its inviting reader-friendly style and clear explanations, this APAC 1st edition introduces international finance with a focus on the important role of modern multinational corporations in global commerce within a strong APAC context. Using a strong corporate perspective, it discusses a wide range of managerial topics and emphasises the most recent changes in the international environment. Relevant examples, instructive diagrams, self-tests, and other learning features provide hands-on experience to help your students develop the skills they need to effectively manage in contemporary practice.

International Financial Management, 7e combines a strong foundation in international finance theory with current, practical applications. It provides thorough, up-to-date treatment of cutting-edge international finance issues along with traditional treatment of international financial management. This book is known for its readability and clear explanation as well as its extensive use of hands-on, real world applications and student-oriented pedagogy.

Combining depth of theory with practical applications, Madura's best-selling INTERNATIONAL FINANCIAL MANAGEMENT ABRIDGED, 12E builds on the fundamental principles of corporate finance to provide the timely information and contemporary insights needed to prosper in today's global business environment. With its signature reader-friendly style and clear explanations, the text introduces international finance with a focus on the important role of modern multinational corporations in global commerce. It discusses a wide range of managerial topics using a strong corporate perspective. Emphasizing the most recent financial changes and industry trends, the Twelfth Edition highlights financial reform and its impact on international finance today. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Builds on the fundamental principles of corporate finance to provide information and contemporary insights your students need to prosper in the global business environment. This book introduces international finance with a focus on the important role of modern multinational corporations in global commerce.

A readable, useful discussion of the rewards -- and hazards -- of offshore investing for institutional portfolio managers and other investment professionals.

The overriding objective of Eun and Resnick's International Financial Management, 3e is to teach students how to be effective global financial managers. The text covers the fundamentals of the macroeconomic environment of international financial management, discusses the financial environment in which the multinational firm and its managers must function, and covers foreign exchange management and financial management in a multinational firm.
