The younger generation today aspires to work for multinational corporations, large organizations, or the civil services as these are more remunerative or invest them with more power. And, with the competition becoming stiffer each passing day, the ability to communicate effectively, precisely as well as acquiring communication skills has become an important determinant in getting jobs and subsequent growth and development. A plethora of books have flooded the market to capitalize on this frantic effort of the younger generation to become adept in communication and more so in technical communication. This comprehensive book on Basic Technical Communication strives to focus on the communication skills needed by professionals. One of the major aims of this text is to enable students to acquire proficiency in the English language. Divided into five parts and 19 chapters, the text deals with the four essential ingredients of communication—reading, writing, listening and speaking skills—as well as their importance, objectives, types, and methods of improving these skills. The book also discusses how these skills can be effectively applied and provides considerable practice exercises. **KEY FEATURES :** The text is logically organized with adequate practice in each part. Gives emphasis on grammar and pronunciation. Provides plenty of vocabulary on commonly mis-spelt words, difficult words, foreign words, and so on. This student-friendly book, suffused with practical examples, is primarily intended as a textbook for the first year students of engineering (B.Tech.) of Uttarakhand Technical University for their course on Basic Technical Communication. It will also be of immense benefit to undergraduate students and technical professionals across the country.

Just-A-Minute Bible Boosters draws its energy from the firm belief that the sacred Scriptures reach across the centuries and touch the lives of busy Christians, sharing with them the power of Gods grace to bring healing and strength to all and sundry. The author, Rev. Andr Symmonds, prepares and offers one-minute messages that air weekly on the radio. This continuing series is the first of its kind in the Caribbean. He has turned those broadcasts into this collection of insightful devotions. Growing out of its roots in radio, the most mobile of media, Just-A-Minute Bible Boosters provide messages for on-the-go people. This dedication comes across in the devotions brevity, its relevance, and its easy-to-read voice that encourages one to remember the main points. Anyone desiring to grow in faith, and to discover how Gods word speaks to bring about healing and growth, will find pearls of great wisdom in the pages of Just-A-Minute Bible Boosters.

With words in both English and Spanish, a brightly illustrated counting book tells of one determined Grandma who is not willing to leave her family on her birthday and so sets out doing various tasks, like making two pots of tea and three pounds of corn for the tortillas, in order to delay Señor Calavera's request to go with him.
