Build vital connections
to accelerate your career

Download Free Managing Viri

success Managing Up is your guide to the most valuable 'soft skill' your career has ever seen. It's not about sucking up or brown-nosing; it's about figuring out who you are, who your boss is, and finding where you meet. It's about building real relationships with people who have influence over your career. Managing up is

Download Free Managing Viri

Teams for you, good for your boss, and good for the organization as a whole. This book gives you strategies for developing these all-important connections and building more than rapport; you become able to quickly assess situations, and determine which actions will move you forward; you become your own

Download Free Managing Viri

talent manager, and
your boss's top choice
for that new
opportunity. As a skill,
managing up can do
more for your career
than simply 'networking'
ever could—and this
book shows you how.
Real-world strategies
give you a set of
actionable steps,
supplemented by expert
advice from a top

Download Free Managing Viri

Leadership consultant
that helps you get on
track to advancement.
It's never too early or
too late to start adjusting
your alignment, and this
book provides the help
you need to start
accelerating your
trajectory. Develop
robust relationships with
influential people
Enhance your self-
awareness and become
