Il primo romanzo di Ciro Saittello

The bilingual title of this volume, "Contrappunti / Counterpoints," addresses the culturally interrelated dynamic of its substance: the reflections and stories of Giovanni Cecchetti, exquisitely written in his native Italian, but from the psychocultural perspective of contemporary Americana, and with illuminating forays into the Greek and Latin classics. -To have grappled, - asserts Cecchetti, -with different

languages and clashing cultures has enriched our lives, our awareness of the depth of humanity which runs through ourselves and others, whatever our nationality. It has also enriched our native tongue, bringing radically new meanings to every word that we utter.- The dynamic between environment(s) and language - so sensitively rendered in Raymond Petrillo's translation - is as essential to the life of this volume as it is to the lives of the many people who grapple with the same existential binomial on a daily basis, at various levels."

Il racconto di un episodio terribile, realmente accaduto in un paese del centro Italia nell'aprile 1944, dettagliatamente ricostruito grazie alle testimonianze dei sopravvissuti. Un caporale dell'aviazione tedesca, un

maggiore della Wehrmacht schiavo della sua ambizione, un giovane podestà mite ma deciso, un mulattiere divenuto partigiano più per ribellione che per ideologia, un ragazzino di otto anni con un'idea confusa della guerra, un colonnello fascista che non si rassegna alla sconfitta imminente sono gli attori principali di questa storia capace di scuotere le coscienze. Nel parossismo di quei giorni, per la morte di partigiani ma anche di tanti civili estranei alla lotta, non solo il nemico riconosciuto della Resistenza giocò un ruolo determinante, ma anche insospettabili antipatie, invidie e vecchi rancori tra vicini di casa. I dati ufficiali raccolti nell'archivio militare tedesco di Friburgo, le testimonianze dei sopravvissuti si intrecciano in una storia che, dall'iniziale, apparente quiete di una vita quasi normale,

culmina in un dramma di follia e crudeltà.

Antonio Cavani, nome di battaglia "Tasso", entra nelle fila dei partigiani il 5 dicembre del 1944. Ha sedici anni ed è deciso a combattere per liberare la sua terra dai nazifascisti. Si aggrega al battaglione Autonomo patrioti C guidato dal famoso tenente G.B. Bertagni, che fa parte dell'XI Zona comandata da "Pippo" Manrico Ducceschi dell'E.L.N. (Esercito di Liberazione Nazionale). L'unità partigiana con gli alleati deve difendere le linee nel settore della

Linea Gotica nella valle del Serchio tra Galliciano, Vergemoli, Trassilico, Verni, Fornovolasco. Antonio Cavani fu, il 20 aprile del 1945, uno dei primi patrioti a entrare a Castelnuovo di Garfagnana - la sua città natale - completamente distrutta dai bombardamenti alleati e dalle distruzioni operate dai nazisti e dai fascisti in fuga. Con molti altri patrioti "Tasso" vive a fianco di brasiliani, statunitensi, inglesi, condividendo la fame, la paura, la morte. È un patriota di una unità autonoma. Non c'è dunque ideologia partitica tra le fila di queste formazioni, ma spirito di sacrificio patriottico, per un impegno teso a conquistare libertà e democrazia.
