Guide to the NEBOSH General Certificate Open-Book Exam

The NEBOSH International General Certificate (NEBOSH IGC) is suitable for those embarking on a career in health and safety, providing a sound basis for progression on to the NEBOSH International Diploma.

If youre preparing to take any exam from the National Examination Board in Occupational Safety and Health (NEBOSH), then you need to know what to expect. NEBOSH courses, which are offered by an awarding body based in the United Kingdom, offer individuals a comprehensive range of globally recognized qualifications designed to meet the health, safety, and environmental management needs of industries as well as national and local governmental organizations. This guide to passing the exams will help you: develop a study plan that is effective and efficient; use and apply command words in constructing answers, which could mean the difference between passing or failing; think about what youre being asked before writing down answers; and identify and avoid the pitfalls that lead to exam failure. NEBOSH qualifications attract approximately 50,000 candidates per year who take exams in more than 120 countries, but many of them fail. Improve your chances of lasting professional success with Secrets of Passing the NEBOSH Exams.

This companion to the bestselling Introduction to Health and Safety in Construction is an essential revision aid for students preparing for their written assessments on the NEBOSH National Certificate in Construction Health and Safety. Fully updated to the April 2015 specification, the revision guide provides complete coverage of the syllabus in bite-sized chunks, helping readers to learn and memorise the most important topics. Throughout the book, the guide links back to the Introduction to Health and Safety in Construction textbook, helping students to consolidate their learning. · Small and portable making it ideal for use anywhere: at home, in the classroom or on the move · Suggests useful tips on study and examination technique · Includes practice questions and answers based on NEBOSH exam questions · Everything you need for productive revision in one handy reference The Health and Safety in Construction Revision Guide, written by the renowned health and safety author and former NEBOSH Vice Chairman Ed Ferrett, will be an invaluable tool for students as they prepare for their NEBOSH exam and for their subsequent health and safety work.

Offers guidance for employers and self employed people in assessing risks in the workplace. This book is suitable for firms in the commercial, service and light industrial sectors.

Introduction to Health and Safety at Work covers the fundamentals of occupational safety and closely follows the NEBOSH National General Certificate syllabus which was updated in 2019 and came into use in 2020. Highly illustrated and over 600 pages in length, it covers all of the essential elements of health and safety management, the legal framework, risk assessment and control standards and also includes checklists, report forms and record sheets to supplement learning. It also has an extensive summary of current health and safety legislation. · Aligned to the NEBOSH National General Certificate in Occupational Health and Safety · Practice questions and answers to test knowledge and increase understanding In addition to helping students study for the NGC, it is used for reference and revision on other Health and Safety qualifications at level 3 and above, including the Nebosh Diploma. It is also a source of reference and guidance for health and safety practitioners in the workplace.

This edition has been produced in order to update the health and safety legislation, with particular regard to changes relating to fire, construction (CDM), asbestos, vibration, noise, hazardous waste and the environment.

International Health and Safety at Work has been specially written in simple English for the thousands of students who complete the NEBOSH International General Certificate in Health and Safety each year. Fully revised in alignment with the April 2015 syllabus, this third edition provides students with all they need to tackle the course with confidence. Clear, easily accessible information is presented in full colour, with discussion of essential principles such as ILO and OSH conventions as well as legal frameworks from a range of countries. Aligned to the NEBOSH International General Certificate in Occupational Health and Safety Practice questions and answers to test knowledge and increase understanding Complete with a companion website containing extra resources for tutors and students at www.routledge.com/cw/hughes The only textbook endorsed for the NEBOSH International General Certificate in Health and Safety, International Health and Safety at Work remains the most effective tool for those working to fit international health and safety standards to local needs and practice.

Highly illustrated and easy to read, this text covers the specific challenges faced by the construction industry as well as the basics of occupational safety and health in general. It includes checklists, report forms, and record sheets.

This companion to the bestselling Introduction to Health and Safety at Work will help you prepare for the written assessments on the NEBOSH National General Certificate in Occupational Health and Safety (October 2009 specification). It provides complete coverage of the syllabus in bite-sized chunks and will help you learn and memorise the most important areas, with links provided back to the main Introduction to Health and Safety at Work text to help you consolidate your learning. · Small and portable making it ideal for use anywhere: at home, in the classroom or on the move · Includes specimen questions and answers from recent examination papers · Everything you need for productive revision in one handy reference source This revision guide is written by an experienced lecturer who has spent many years helping students become accredited by NEBOSH. Ed Ferrett is former Vice Chairman of NEBOSH (1999-2008) and a lecturer on NEBOSH courses with both public and private course providers. He is a Chartered Engineer and Health and Safety Consultant.

This text has been written for the fast growing NEBOSH international certificate in health and safety taken by around 6,000 students worldwide. Matched to the new 2011 syllabus and written in simple English, the coursebook provide students with all they need to tackle the course with confidence.

The second edition of International Health and Safety at Work has been specially written in simple English for the thousands of students who complete the NEBOSH International Certificate in Health and Safety each year. Fully updated and matched to the March 2011 syllabus, this course book provides students with all they need to tackle the course with confidence. Full colour pages and over 200 illustrations bring health and safety to life. Each chapter starts with learning outcome summaries and ends with questions taken from recent NEBOSH examinations. Specimen answers and a study skills chapter are also included to aid exam preparation. Endorsed by NEBOSH for the International General Certificate in Occupational Health and Safety. Provides all the material students need for the course including tables, forms and checklists that can be used for health and safety activities such as risk assessment Gives a unique summary of Occupational Health and Safety legal frameworks in over 20 countries including the EU and USA plus details of several ILO conventions and recommendations which are useful to students and a wide range of managers This NEBOSH-endorsed textbook introduces the reader to the fundamentals of health and safety in the workplace from an international perspective. The book not only meets the needs of students on the NEBOSH course but remains a useful reference for all managers who work to international standards and need to adapt them to local needs and practice. Phil Hughes MBE, MSc, CFIOSH, is a former Chairman of NEBOSH (1995-2001), former President of IOSH (1990-1991) and runs his own consultancy. He received an MBE for services to health and safety and as director of RoSPA in the New Year's Honours List 2005. Ed Ferrett PhD, BSc (Hons Eng), CEng, MIMechE, MIET, CMIOSH, is a former Vice Chairman of NEBOSH (1999-2008) and a lecturer on various NEBOSH health and safety courses. He is a Chartered Engineer and a health and safety consultant.
