I took the bait,
purchased and
downloaded REX
Skyforce 3D a
couple days ago.
After installing it, I

Download

Ebook Rex Sky

then got to look at the manual and it's recommendations for installing. I

learned that they wanted a couple things done during installation that unfortunately I didn't do. Like turning off notifications, turning off my anti-virus (which I

Download Ebook Rex Sky

always dislike
doing) and running
as administrator.
