A LITTLE INDULGENCE ROXY HARTE Koko is a Lolita J-Pop mega star, facing a Eurasian Tour after the death of her guardian. Mentally, physically, and emotionally not ready to face a grueling road trip, her doctors insist she renege on her professional obligations, but an attempt to delay the tour results in threats from her record label's owner. Julian Van Zant is an aging rock star who had one great experience in his life that outshone all others: an age-play relationship with a woman named Angélique. However, she fled for a normal vanilla life. A chance encounter with a woman he knows only by reputation leaves him worried about her safety. When she offers him the chance of a lifetime to be both her travel companion and Daddy, it seems like he's finally been given a second chance. Will Koko's learning that Julian and his brother Liam are a package deal ruin everything? And will once burned and far less-forgiving Liam be willing to risk his heart to the little who has the power to rip him to shreds? Author's Note: Although the protagonist, Koko, is well beyond the age of consent, she presents part time as a "little"; that is, she acts like a young girl. The sex in this series takes place between consenting adults, but those with a history of childhood sexual abuse or incest may find this triggering. SERIES INFORMATION: A LITTLE BEDTIME STORY - Koko, Book One VAN ZANT SIBLINGS - Julian and Liam Van Zant This 2018 Edition has been revised and expanded, previously released in 2016

During the political turmoil, a prince vouchsafed to save Magadha from foreign invasion with the help of Nalanda's intellectual teachers and their secret knowledge of Celestial Weapons. However, palace intrigues compelled him to renounce his claim to the throne and he embraced the life of austerity for a greater cause. Unaware of the baffling power of his enemies, the young prince entrapped in the political rivalry of Chandraketurgarh and found love in an unexpected way.

The art of letting go, Dr Judith Orloff explains, is the secret key to manifesting power and success in all areas of life, including work, relationships, sexuality, radiant aging, and health and healing. With her stunning gift for storytelling coupled with her unique, results-oriented approach to physical, emotional and spiritual health - marrying neuroscience, psychiatry, intuitive medicine, energy techniques and more - Judith provides a powerful, practical and accessible map for anyone who is longing to be happier but who feels stuck, burned-out, tense, worried or afraid to let go. The Museum of Unconditional Surrender -- by the renowned Yugoslavian writer Dubravka Ugresic--begins in the Berlin Zoo, with the contents of Roland the Walrus's stomach displayed beside his pool (Roland died in August, 1961). These objects--a cigarette lighter, lollipop sticks, a beer-bottle opener, etc.--like the fictional pieces of the novel itself, are seemingly random at first, but eventually coalesce, meaningfully and poetically.

A former ambassador to the United Nations explains his controversial efforts to defend American interests and reform the U.N., presenting his argument for why he believes the United States can enable a greater global security arrangement for modern times. Reprint.

The reader of this book is hereby warned that this informative book is somewhat a loaded manuscript that reviews religio-spiritual affirmations in an uncompromising manner. It is broad and thus requires open mindedness. The reader is also made aware right here at the outset that this book is not written by puppets of conventional religio - spiritual vanguards. This book is an introduction to rational Comparative Religiology. It informs about the reason why created (expanded into) The Whole All as already mentioned supra. History informs us that the living being (soul) in the human form experienced fulfillment and unfulfillment coexistence in the materio-physical existence of God TUDB

Secret Societies (e. g Freemasons, Priory of Sion, Knights Templar, Zionists, Opus Dei, The Pope's Armada, The Illuminati, etc) were not reviewed in this book though these 'secret societies' play their roles in the religio-spirituality of humanity. An international bestseller and beloved cultural touchstone, Anne Rice's classic novel Interview with the Vampire starts "where Bram Stoker and the Hollywood versions leave off and penetrates directly to the true fascination of the myth" (Chicago Tribune). But that's only the beginning. Over the course of twelve interwoven novels, Rice crafts a richly imagined, magnificently transporting epic around her chilling, charismatic antihero, Lestat. An aristocrat in the heady days of pre-revolutionary France who lives to become a rock star in the demonic, shimmering 1980s, Lestat rushes through the centuries in search of others like him, seeking answers to the mystery of his eternal, terrifying existence. Now, with the publication of the complete series in one convenient eBook bundle, there has never been a better time to devour the entirety of The Vampire Chronicles. Gathered here are the ten books that comprise the original saga: INTERVIEW WITH THE VAMPIRE THE VAMPIRE LESTAT QUEEN OF THE DAMNED THE TALE OF THE BODY THIEF MEMNOCH THE DEVIL THE VAMPIRE ARMAND MERRICK BLOOD AND GOLD BLACKWOOD FARM BLOOD CANTICLE . . . as well as the two books of the New Tales of the Vampires: PANDORA VITTORIO, THE VAMPIRE Praise for the novels of Anne Rice "Brilliant . . . [Rice's] undead characters are utterly alive."—The New York Times Book Review "If you surrender and go with her . . . you have surrendered to enchantment, as in a voluptuous dream."—The Boston Globe "Frightening, sensual . . . Anne Rice will live on through the ages of literature. . . . To read her is to become giddy as if spinning through the mind of time, to become lightheaded as if our blood is slowly being drained away."—San Francisco Chronicle "Unrelentingly erotic . . . sometimes beautiful, and always unforgettable."—The Washington Post "Rice has created universes within universes, traveling back in time as far as ancient, pre-pyramidic Egypt and journeying from the frozen mountain peaks of Nepal to the crowded, sweating streets of southern Florida."—Los Angeles Times "Fiercely ambitious, nothing less than a complete unnatural history of vampires."—The Village Voice
