Hundreds of thousands of men all across North America are forming councils, lodges, and participating in "wild man weekends," inspired by the mythopoetic writings and personal testimonies of such authors as Robert Bly, Sam Keen, and John Lee. What do you need to be part of it? Robert Bly's practical advice to his gatherings of men is to go home and form small groups. This book, fifteen years in the making and written by one of the prominent forces in the men's movement, is the original handbook for forming and guiding these small support circles. Here's what this book gives you: This step-by-step manual grows out of Bill Kauth's two decades of experience with over 125 support groups.
