Published in 1925, the novel was written over the course of several years. Cather first wrote the centerpiece, "Tom Outland's Story," and then later wrote the two framing chapters "The Family" and "The Professor."

The Professor's House - Wikipedia

Her novel "The Professor's House" is much less familiar, but it is Cather at her best. The book tells the story of Professor Godfrey St. Peter. When we meet St. Peter, he is a respected academic and scholar, age 52, who has written an eight volume history called "Spanish Explorers" dealing with the Spanish in Mexico and the American Southwest.

The Professor's House: Amazon.co.uk: Willa Cather ...

Published in 1925, The Professor's House is Willa Cather's seventh book. Compared to the Great Plains Trilogy, written between 1913 and 1918, it is a less satisfying read for me. Cather's prose retained its spare, clear, and vivid quality. It was at its finest when it was applied to capturing a sense of place or a state of mind.

The Professor's House by Willa Cather | Waterstones

On the eve of his move to a new, more desirable residence, Professor Godfrey St Peter finds himself in the shabby study of his former home. Surrounded by the comforting, familiar sights of his past, he surveys his life and the people he has loved: his wife Lillian, his daughters and, above all, Tom Outland, his most outstanding student and once, his son-in-law to be.

The Professor's House is Willa Cather's 1925 chronicle of the 52nd year of Godfrey St. Peter, a professor of history at an unnamed Midwestern university in the small town of Hamilton, which borders Lake Michigan. Professor St. Peter has lately finished his magnum opus, a history of the adventures of the Spanish explorers in North America, and he and his wife Lillian are in the process of moving to a new house built with the proceeds of his completed work.

The Professor's House Summary | GradeSaver

About The Professor's House Willa Cather's lyrical and bittersweet novel of a middle-aged man losing control of his life is a brilliant study in emotional dislocation and renewal. Professor Godfrey St. Peter is a man in his fifties who has devoted his life to his work, his wife, his garden, and his daughters, and achieved success with all of them.

Willa Cather » The Professor's House ... It was dark when the Professor got back to the old house and sat down at his writing-table. He would have an hour on his notes, he told himself, in spite of families and fortunes. And he had it. But when he looked up from his writing as the Angelus was ringing, two faces at once rose in the shadows ...

Joe Jonas, 31, and Sophie Turner, 24, were spotted taking a stroll with their three-month-old daughter, Willa, in Los Angeles. The pair put on a cozy display as they took an early morning walk

A study in emotional dislocation and renewal--Professor Godfrey St. Peter, a man in his 50's, has achieved what would seem to be remarkable success. When called on to move to a more comfortable home, something in him rebels.

This bittersweet tale about a professor's desire to stay in his old study and cling to what used to be on the eve of moving into a new house sparks deep introspection in a story that explores a mid-life crisis and family life in a 1920s Midwestern college town.

The Professor's House is a novel by American novelist Willa Cather. Published in 1925, the novel was written over the course of several years.

THE PROFESSOR'S HOUSE The Professor's House is a novel by American novelist Willa Cather. Published in 1925, the novel was written over the course of several years. Cather first wrote the centerpiece, "Tom Outland's Story," and then later wrote the two framing chapters "The Family" and "The Professor." THE PROFESSOR'S HOUSE After completing his masterwork and garnering a great deal of money for it, history professor Godfrey St. Paul has purchased a new house. But when the time comes to move, he cannot bring himself to do so. Sitting in his comfortable study in his current house near the shore of Lake Michiganand on the verge of a midlife crisishe reflects on his past. THE PROFESSOR'S HOUSE At fifty-two, he has dedicated himself to his work, his garden, and his wife and two daughters, but despite all of his successes, he is unhappy with the course of his future. He retreats into his memorieshis career and fond recollections of Tom Outland, his most outstanding student and once his son-in-law-to-be, who was lost in the Great War. He also thinks of his present and the daunting mystery of what lies ahead. And soon the introspection takes over . . . "The Professor's House is Cather's masterpiece. It is almost perfectly constructed, peculiarly moving, and completely original." --A. S. Byatt, The Guardian THE PROFESSOR'S HOUSE

A groundbreaking new look at American novelist Willa Cather's creative process What would Willa Cather's widely read and cherished novels have looked like if she had never met magazine editor and copywriter Edith Lewis? In this groundbreaking book on Cather's relationship with her life partner, author Melissa J. Homestead counters the established portrayal of Cather as a solitary genius and reassesses the role that Lewis, who has so far been rendered largely invisible by scholars, played in shaping Cather's work. Inviting Lewis to share the spotlight alongside this pivotal American writer, Homestead argues that Lewis was not just Cather's companion but also her close literary collaborator and editor. Drawing on an array of previously unpublished sources, Homestead skillfully reconstructs Cather and Lewis's life together, from their time in New York City to their travels in the American Southwest that formed the basis of the novels The Professor's House and Death Comes for the Archbishop. After Cather's death and in the midst of the Cold War panic over homosexuality, the story of her life with Edith Lewis could not be told, but by telling it now, Homestead offers a refreshing take on lesbian life in early twentieth-century America.

When Professor Godfrey St. Peter and wife move to a new house, he becomes uncomfortable with the route his life is taking. He keeps on his dusty study in the old house in an attempt to hang on to his old life. The marriages of his two daughters have removed them from the home and added two new sons-in-law, precipitating a mid-life crisis that leaves the Professor feeling as though he has lost the will to live because he has nothing to look forward to. The novel initially addresses the Professor's interactions with his new sons-in-law and his family, while continually alluding to the pain they all feel over the death of Tom Outland in the Great War. Outland was not only the Professor's student and friend, but the fiancé of his elder daughter, who is now living off the wealth created by the "Outland vacuum. The novel's central section turns to Outland, and recounts in first-person the story of his exploration of an ancient cliff city in New Mexico. The section is a retrospective narrative remembered by the professor.

Features a hypertext version of "The Professor's House" by Willa Cather, published by the University of Michigan Press' Humanities Text Initiative (HTI) in Ann Arbor. Also offers the entire text of the novel in SGML format. Notes that the electronic version is taken from the 1925 print edition, published by Knopf in New York City. Posts the book's peculiar spellings and usage of words, referenced by page number and paragraph.

My Mortal Enemy Willa Cather - My Mortal Enemy is a poignant character study of an extraordinary woman of commanding personality named Myra who gives up a fortune to marry for love. But was it the right choice?This book shows how although love can exist between a couple, resentment and regret can still arise and this can threaten to ruin a marriage. Can Myra and Oswald's love stand the test or may this end in the death of the relationship or an even worse kind of death?

The Professor's House Willa Cather American Literary Classics The Professor's House is a novel by American novelist Willa Cather. Published in 1925, the novel was written over the course of several years. Cather first wrote the centerpiece, "Tom Outland's Story," and then later wrote the two framing chapters "The Family" and "The Professor." When Professor Godfrey St. Peter and wife move to a new house, he becomes uncomfortable with the route his life is taking. He keeps on his dusty study in the old house in an attempt to hang on to his old life. The marriages of his two daughters have removed them from the home and added two new sons-in-law, precipitating a mid-life crisis that leaves the Professor feeling as though he has lost the will to live because he has nothing to look forward to. The novel initially addresses the Professor's interactions with his new sons-in-law and his family, while continually alluding to the pain they all feel over the death of Tom Outland in the Great War. Outland was not only the Professor's student and friend, but the fiancé of his elder daughter, who is now living off the wealth created by the "Outland vacuum."

In her final novel, Willa Cather departed from her usual Great Plains settings to plumb the turbulent relationships between slaves and their owners in the antebellum South. Sapphira and the Slave Girl is set in Virginia just before the Civil War. Sapphira is a slave owner who feels she has come down in the world and channels her resentments into jealousy of her beautiful mulatto slave, Nancy. Sapphira's daughter Rachel, an abolitionist, opposes her mother's increasingly shocking attempts to persecute Nancy. The struggles of these three strong-willed women provide rich material for Cather's narrative art and psychological insight. BONUS: The edition includes an excerpt from The Selected Letters of Willa Cather.
