Listening - the
quality of people's
attention for each
other - is the core

of this method. In
Time to Think
Nancy Kline asserts
that as change
proliferates in our
lives and our
organisations, we
must prize each
other's minds
above all else. We
must learn how to
help people think
for themselves.

Time to Think: Listening to Ignite the Human Mind by Nancy ...

Time to Think is a book that changes behaviour. It has a simple, but powerful message, which is that the quality of our thinking depends upon the quality of another person's

Where To Download Time

attention when listening to us. Why is this important? Because thinking precedes action, so clearer thinking leads to improved action.

they listen well, but they rarely do - not at this level.

Listening this way is a radical act. The power of effective listening is recognised as the essential tool of good management. In this book, Nancy Kline describes how we can achieve this, and
